¿Que es el Programa Eurodisea?

Es un Programa de intercambio de la Asamblea de las Regiones (ARE) que tiene por objetivo posibilitar a los jóvenes europeos con cualquier formación sacar provecho de una experiencia profesional en otras Regiones europeas distinta a la suya y favorecer de esta manera la adaptación al mercado laboral internacional, por lo que los principales agentes de este programa son los jóvenes, las empresas y las regiones.

En aplicación del principio de reciprocidad establecido por la ARE, el Instituto de la Juventud se compromete a acoger jóvenes, en edades comprendidas entre los 18 y los 30 años, facilitarles una formación lingüística y la realización de practicas laborales de una duración de 3 a 6 meses, en una empresa de nuestra región
